

POLICY OF QUALITY MANAGEMENT AND HEALTH safety in DORTECH LESZEK URBANIAK COMPANY

DorTech Leszek Urbaniak performs packaging services in disposable packaging, various types of products from the cosmetics, food and medical and chemical industries.

The key mission of DorTech is to meet the expectations of customers by offering high quality products, thanks to which we systematically strengthen our position on the packaging services market. The aim is to provide high-quality services that meet the expectations and guarantee customer satisfaction, eliminate threats that reduce the safety of the products packed in the plant, as well as guarantee safe and hygienic working conditions for employees. The justification for this position is the implementation, maintenance and continuous improvement of the Quality Management System according to ISO 9001 and HACCP System.

The main tasks for DorTech include:

- Maintaining trust and surveying customer satisfaction with the quality of delivered products and their operation as well as adapting to specific customer requirements - constantly expanding own assortment capabilities and production range,
- Maintaining and continuous improvement of the Quality Management System in accordance with the requirements of ISO 9001:2008 and HACCP System,
- Appropriate selection, training and improvement of qualifications of employees adequately to the designated workstation,
- Systematic improvement of technical equipment of production lines
- Ensuring work safety and adequate environmental protection,
- Commitment of the management and all employees of the company in the implementation of the quality policy and increasing the efficiency of processes,
- Consistent development of good relations with our business partners.

The management of the company provides the necessary resources and possibilities to implement the strategy of conduct and undertakes to communicate, apply and maintain this Quality and Health Safety Policy with the participation of all employees of the company at each workstation.

As the Owner of DorTech, I personally provide implementation, compliance and continuous improvement of the above Quality and Health Safety Policy, strengthening all activities for the improvement of quality and consistent assessment of its usefulness.

I oblige all employees of DorTech Leszek Urbaniak to acquire knowledge and meet the requirements and continuous improvement of the Quality Management System in accordance with the requirements of ISO 9001:2008 and HACCP System.
